

Tip & Touch stand wheelchair users

062.7700 Tip & Touch stand on wheels for wheelchair users (electrical tip function)) max. 65 inch, 60 kg

SmartMetals has developed a range of floor solutions for Touch displays which would be used in the table position; we call it the Tip & Touch stand. This specific version has been adjusted for wheelchair users; with a wider foot print, bigger castors and an option for a PC at the side. This wheeled stand has an electrical height adjustment from 844 - 1504mm (table height); which can be limited for a 55 inch to 920-1160 mm. The Tip & Touch stand is available with a motorized tip function of 90 degrees; which can be limited from 0 to 25 degrees. A bracket is integrated with VESA patterns 400 - 200, 400 - 400 and 600 - 400. Please note: Check if your display is suitable for horizontal use.

Tip & Touch stand wheelchair users
