

Divisible stand 2250mm

062.8045-225 EOL | Fully divisible stand 2250mm (Light Series) incl. bracket max 600x400

The SmartMetals fully divisible stand is particularly suitable for rental applications. Due to the stand being divided in 4 parts: the base plate, the column in two parts of 1125 mm and the VESA bracket, the stand and the screen can be transported compact in a flightcase. Furthermore this stand has three separate cable ducts, the flat panel can be fastened by means of coupling bolts and it can be installed without using any tools.
